Omelette

Omelette

Use 2 products expiring in 7 days

Ingredients:

- 2 eggs(expiring in 2 days)
- Salt and pepper to taste
- 1 tablespoon butter or cooking oil
- Fillings of your choice (e.g., cheese, vegetables, ham, mushrooms)

1. Crack the eggs into a bowl and whisk them together until the yolks and whites are well combined. Season with salt and pepper according to your taste.
 2. Heat a non-stick skillet over medium heat and add the butter or oil, allowing it to melt and coat the bottom of the skillet evenly.
 3. Pour the whisked eggs into the skillet and let them cook undisturbed for a few seconds until the edges start to set.
 4. Using a spatula, gently push the edges of the omelette towards the center, tilting the skillet to let the uncooked eggs flow to the edges. Continue this
- there is no more liquid egg left.
