Professional level and contribution of the master's thesis A (excellent) ... 1,0

Formal aspects of the master's thesis A (excellent) ... 1,0

Further comments to the master's thesis:

This thesis is an outcome of the Dual Master's Degree Program in Smart Cities between the Czech Technical University in Prague and The University of Texas at El Paso. I highly regard the student's commitment to the program and to research presented in this thesis as well as diligence, initiative and ability to come up with new ideas.

I **recommend** the master's thesis for the defence.

Summary classification of the master's thesis A (excellent) ... 1,0
