Professional level and contribution of the master's thesis ..... A (excellent) ... 1,0  
Formal aspects of the master's thesis..... B (very good) ... 1,5

Further comments to the master's thesis:

Mr. Cervenka was work on this very complicated work very independently. He was study very long specification for ETCS DMI display, and know principle of function. His work fully fulfills me expectations, although the implementation of all functions of DMI display is not full finished. It was made verification of implementation with the scenario generator.

I **recommend** the master's thesis for the defence.

**Summary classification of the master's thesis ..... A (excellent) ... 1,0**
