THE PURPOSE OF THE ROOM

LEADER OF THE WORKSHOP: Ing. Arch. Tomáš Hradečný

During the war, and the anti-communist resistance. In the family home, we are entering a living room, a dark room.

FAMILY HOME

We can see that the events were in parallel with the building in which the workshops and warehouse were located, we are able to move freely, we can see the beauty.

LONG TABLE SUPPORTED BY THREE PILLARS

The table supported by three pillars underwent changes in society during the first and second world wars.

INERT FAMILY, WHICH DID NOT SUBMIT

This permanent exhibition shows the history of the two anti-communist resistances.
