Further comments to the master's thesis:

The overall effect is excellent. I am convinced that the work exceeds the average diploma thesis in their scope and their quality. The student proposed a method of evaluation, which was subsequently implemented in the C-ROADS CZ project. The processing and the report results are at a high level.

I **recommend** the master's thesis for the defence.

**Summary classification of the master's thesis ..... A (excellent) ... 1,0**
