Usage of groundwork and data from practice A (excellent) ... 1,0
Professional level and contribution of the bachelor's thesis..... A (excellent) ... 1,0
Formal aspects of the bachelor's thesis A (excellent) ... 1,0

Further comments to the bachelor's thesis:

Student Martin Meloun demonstrated very high level of personal involvement and was active during the whole process of the thesis creation including data search and analyses, communication with external entities and also brought significant portion of his own contribution. The topic is processed with respect to real world mechanisms and therefore it is much more possible to use the work in practice.

I **recommend** the bachelor's thesis for the defence.

Summary classification of the bachelor's thesis A (excellent) ... 1,0
