Dear Sir or Madam,

My name is David Kryška, I am a student of Czech Technical university in Prague.

Right now, I am writing a Bachelor's thesis on the topic "Threats caused by unmanned aerial vehicles and defenses against them". I have read about your Anti-UAV system on your website and I would like to ask you if you could send me any price list of your Anti-UAV product (Discovair). In my thesis, I would like to compare multiple Anti-UAV solutions in terms of acquisition costs.

I hope it is not a problem or is internal information?

Thank you for your time - I look forward to hearing from you.

Yours sincerely,
Kryška David
